

Composition: York Door Pull
SKU: TS2602-200
TS2602-300

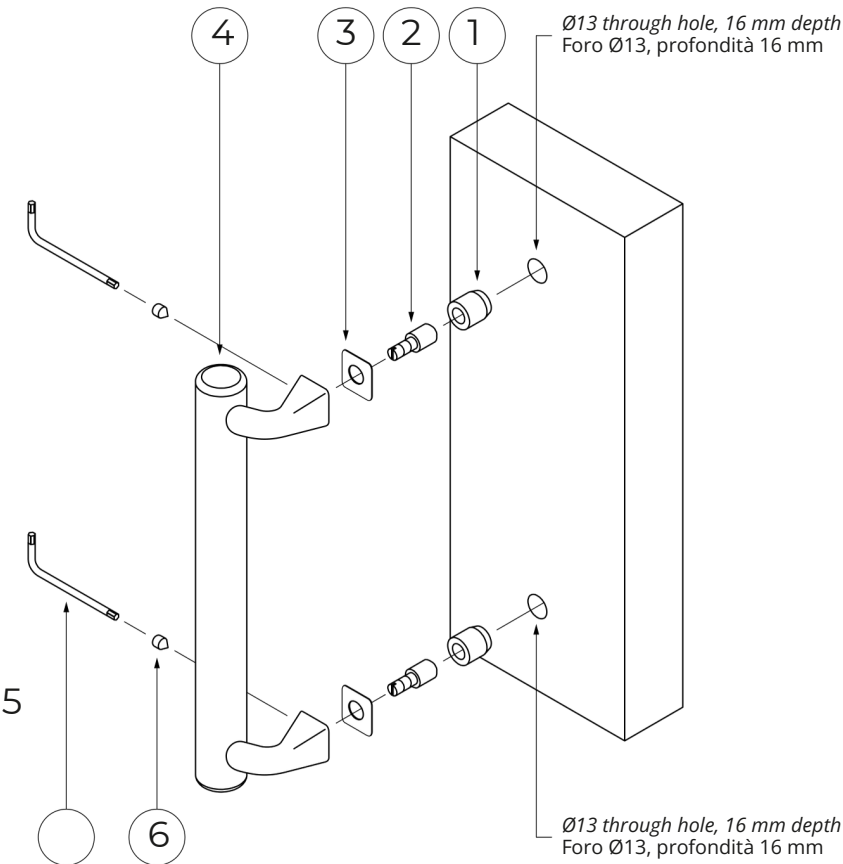

York Door Pull, a timeless architectural handle with a clean, cylindrical profile and subtle end detailing. Crafted from solid brass, it offers a balanced blend of modern simplicity and traditional form. Designed for use on timber, glass, or metal doors, it is available in single or back-to-back fixing configurations.

KIT for surface mount installation
